DEPARTMENT OF REVENUE AND DISASTER  
MANAGEMENT**

(G.O. Ms.No. 29, dated 6th January 2012)

**ORDER**

The Honourable Chief Minister of Puducherry reviewed the status of house reconstruction programme undertaken by the Government for Rehabilitation of Tsunami affected people in the Union territory of Puducherry. In order to assign houses to the Tsunami affected families of P1-Kanagachettikulam, P2-Periya Kalapet, P3-Chinna Kalapet and P4-Pillaichavady, an enumeration was conducted and a list was prepared by the department in 2006. However, prior to finalising the said list, the Village Committees had prepared a suggestive list of beneficiaries which was verified by the team of Revenue officials headed by Tahsildars and their recommendations were submitted before the Village Committee. But, this recommendation was rejected by the non-official members of the Village Committee and hence, the entire beneficiaries as suggested by them were finalised. As there was discrepancy between the list of beneficiaries recommended by the Revenue team and the final list prepared by the Village Committees, the issue of allotment of houses to Tsunami affected people at P1-Kanagachettikulam, P2-Periya Kalapet, P3-Chinna Kalapet and P4-Pillaichavady was discussed in a meeting held on 23-11-2011 convened by Honourable Chief Minister with Chief Secretary to Government, Secretary (Revenue), Special Secretary-cum-District Collector, Sub-Collector (Revenue) North and other officials of Department of Revenue and Disaster Management. After discussion, it was decided that—

(i) Allotment order to the houses shall be handed over to beneficiaries as recommended by the representatives of the villages in the committee and duly verified and recommended by the Tahsildars.

(ii) The balance cases not recommended by the Tahsildars shall be discussed with the respective Village Committee. A social audit will be done in the villages and genuine beneficiaries will be identified for issue of allotment order.

(iii) Allotment of individual houses as decided by the villagers by way of mutual consensus may be maintained by dispensing with the drawal of lots contemplated in the G. O. Ms. No. 89, of Department of Revenue and Disaster Management, dated 25-7-2005 for these four hamlets.

2. Accordingly, His Excellency the Lieutenant-Governor hereby approves the decisions taken in the meeting as stated above with regard to allotment of houses to the beneficiaries at Tsunami township.
